**Size:** [Child, Adult]

My daughter is modeling an adult 20 1/3 hat

**Materials:**

- Cascade 220 in 4 colors (less than 1/2 skein of main color and less than 1/4 skein of contrast colors)
- 1 US #7 16" and/or 32" circular needle (adjust needle size if necessary to obtain preferred gauge.) I knit in the round, using the magic loop method but any method you prefer would certainly work - DPNs can be used as well as the 2 circular needles method
- 1 stitch marker
- 1 tapestry needle for weaving in ends

**Gauge:**

5.5 sts = 1" in st st should yield a 17.5" hat circumference for a child and 20 1/3" hat for an adult

5 sts = 1" in st st should yield a 19" hat circumference for a child and 22 1/2" hat for an adult

4.5 sts = 1" in st st should yield a 21 1/3" hat circumference for a child and 24 3/4" hat for an adult

When I knit hats, I can usually adjust a pattern to go up and down in size by changing my needle sizes so experiment with gauge/needles until you achieve the size you'd like.

**Pattern Notes:**

I worked the 1st earflap back and forth on the extra needles. When the first one is done, I leave it on those needles, and worked the second earflap on the 16" circular needles. When the second one is done, I casted on stitches for the front of the hat using the backward loop method, transfer the 1st earflap onto the 16" circular needles by knitting the earflap onto it, then I cast on stitches for the back of the hat, and then join for knitting the hat in the round.

**Abbreviations:**

**CO** - Cast on

**BO** - Bind off

**sts** - stitches

**K** - Knit

**P** - Purl

**K2Tog** - Knit 2 Together

**WS** - Wrong side

**RS** - Right side

**PM** - Place marker

**M1R** - With left needle, lift loop between stitches by moving needle tip from back to front and knit into the front of loop to make a stitch that slants to the right

**M1L** - With left needle, lift loop between stitches by moving needle tip from front to back and knit into the back of loop to make a stitch that slants to the left

For 1st earflap, break yarn, set aside, leaving sts on hold on extra needles.

Row 20: (RS) K21, CO [36, 47] sts, for front of hat, using backwards loop method, K held sts from first earflap, CO [18, 23] sts, for back of hat, using backwards loop method, PM, and join for working in the round. Be careful not to twist stitches. [96, 112] sts total.
